How to Get the FBF App

4 quick steps — you'll be set up in under 2 minutes

1

Create Your Account

Sign up with your email and create a password. Do this first — you'll need it to log in to the app.

fbf-dashboard.vercel.app/signup →

2

Install TestFlight

TestFlight is Apple's official app for testing beta apps. Install it from the App Store (it's free).

Download TestFlight →

3

Install the FBF App

Tap this link **on your iPhone** to join the beta and install Forged by Freedom through TestFlight.

testflight.apple.com/join/Xgq6sV1t →

4

Sign In & Go

Open the app and sign in with the email and password you created in Step 1. Your coach's program will already be loaded.

Scan to Get Started

Use your phone camera to scan any QR code below

STEP 1

Create Account

Sign up on the web first

fbf-dashboard.vercel.app/signup

STEP 2

Get TestFlight

Apple's beta app installer

apps.apple.com/testflight

STEP 3

Install FBF App

Open on your iPhone

testflight.apple.com/join/Xgq6sV1t

Already have the app?

Open TestFlight, tap **Update** to get the latest build.
Then force close the FBF app and reopen after updating.
